

Christian “Tasting”

I Pet. 2:3; Heb. 6:4-6

- **Tasting the graciousness of the Lord comes via the **word of God** – the “taste” should evoke desire for more**
- **Christian = Tasted the heavenly gift (salvation), **tasted the beautiful word of God (observed by use), **tasted the powers of the age to come (spiritual nature)******

All pertain to God’s character, what God wants from us, and what He has promised

Christian “Eating”

“Eating” on Obedience – **John 4:31-38**

- **Leads to righteousness – Rom. 6:16-17**
- **Unbelief is equated to disobedience – Heb. 3:18**
- **Disobedience causes fall from grace – Gal. 3:1, 5:7, 5:4**

We “taste” God’s nature, what God wants from us, and what He has promised; We “eat” and are sustained by obeying Him
