Sacrifices to God

- **Must be offered according to the commandment of God – Heb. 11:4, Lev. 10:1-3**
 - **I can't just decide what God will have to accept – it must be according to His will – Matt. 7:21-23**

What sacrifices can I offer?

- **My body, conduct, life – Rom. 12:1**
 - In every aspect of my life, God is to be praised and honored by my conduct and example
 - This includes worshipping Him, studying His word, praying, remembering His Son
- **Considering well-being of others – Heb. 13:16, Phil. 4:18**
 - By serving others I serve the Lord – **Matt. 25:40**

With what attitude do I offer them?

- **Is to be offered whole-heartedly, not of out of convenience – I Chr. 21:23-24**
 - **Not with “have-to” attitude, but “want-to” attitude; bible class, services, teaching classes, checking in on sick, get-togethers should not be based on what is convenient**
- **God will not accept “leftovers” – Mal. 1:6-14**
 - **Will God accept what’s left over of my time? Effort? Thoughts? Prayers? Study? Money?**

**My conduct and
example, including
worship**

**Being a servant to
others**
