

**The  
Blessing  
of  
Attending  
with the  
Brethren**

---

**Phil. 1:27; Eph. 4:16; I Cor. 1:10 – “one spirit”, “one mind”, “causes growth”, “perfectly joined together”**

---

**Heb. 2:9-12 – The opportunity, together with Jesus, to praise the Father**

---

**Heb. 10:24-25 – The opportunity to “stir up love and good (beautiful) works”**

- **There are certainly times we simply cannot make it to services/Bible study**
- **There is a difference between cannot and will not/don't want to – God knows the difference**
- **“God never commanded every service and Bible study” – We establish our authority by command and approved example. Establish a command of God that would require us to miss service? An approved example from NT saints?**
