
DO OR DO NOT

- **What kind of advice is this???**
 - **Most try to try to do their best**
 - **No positive use of the word “try”, “attempt”, in the entire Bible**
- **It doesn't mean that trying is bad. It means if you go into something with the mindset of failure as an option, you will fail.**

DO OR DO NOT

- **Consider I Cor. 9:24-27, “*Run in such a way that you may obtain it.*”**
- **Consider II Tim. 2:3-6, there is no “try”**
- **Consider I Tim. 6:11-12, there is no “try”**

“Run in such a way that you may obtain it.”

- **Do not try to flee temptation and sin, flee them**
- **Do not try to pursue righteousness, godliness, etc, pursue them**
- **Do not try to be a good soldier, athlete, farmer, be them**
- **Do not try to run...run with a mind to win**
